

1ft 6" Spacing Green Wall Cable Trellis Kits

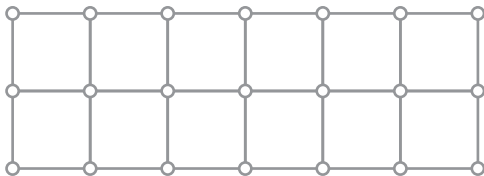

3ft x 3ft with 1ft 6" Spacing

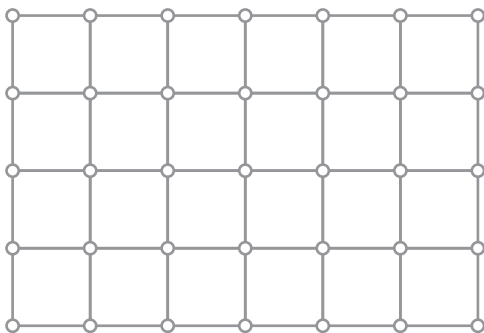

6ft x 3ft with 1ft 6" Spacing

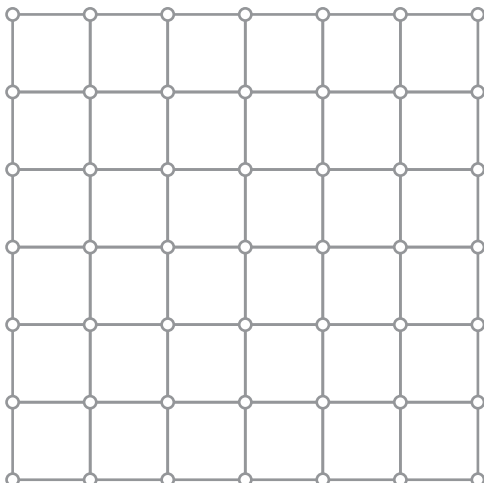

6ft x 6ft with 1ft 6" Spacing

9ft x 3ft with 1ft 6" Spacing

9ft x 6ft with 1ft 6" Spacing

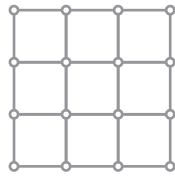

9ft x 9ft with 1ft 6" Spacing

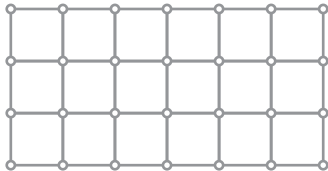

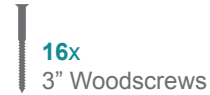

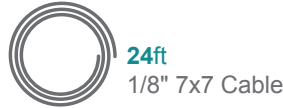

- It may be a good idea to layout your design onto the relevant surface with chalk prior to drilling any holes.
- You don't need to stick rigidly to the exact dimensions.
- Take the brick spacing into consideration for instance.
- Remember to start with cables cut slightly over length.
